

*Recently one of our former members, Suzanne Macre, was on television on the Rachael Ray show. They did quite an large segment on the Westminster Dog Show featuring several dogs and also featuring several exhibitors. I have the show recorded. If anyone is interested in a copy on DVD, just let me know.*

This is/was our latest foster rescue dog that we have been keeping for a local rescue group. His name is Fluffy. He's a pure bred Bishon. He went to

his permanent home last week and now resides in Baltimore MD. Amongst our flotilla of Papillons, he kinda stood out in the crowd but he was a very nice dog. Good for him.....

*From Karen:*

First picture is GCH Marianette's Habitual Violator (Duncan) taking BOB at the Atlanta shows AND a Group 2 - Also in the picture is Predix Out On Bail (Bailey) taking WB,

BOW, and BOS for a 4 pt major - Bailey is a Duncan baby - she took this major win at 12 months and 5 days. The second picture is one of Bailey. Very proud of my baby girl and her big daddy!

Sadly at the first part of February I lost my Knot-Knot, Ch. Gameboy Van't Hof ter Endyer, Belgium import. He died of bloat during the night, only a 3 year old and I had planned to take him in the ring to get his Grand since he loved to show....heart breaker for sure.

10:12 PM, Feb. 28, 2011

The prestigious Westminster Kennel Club dog show at Madison Square Garden in New York sold out to a crowd of about 21,000 this year. Jackson kennel owner and groomer Gary Doerge experienced it all as a judge for the third time.

I actually made the front page of the Jackson Sun today. If you go to their website, it can be read there.

***From Diane Brewer:***

As promised, he finally has a name. Introducing Mayflower Jones In Search of the Holy Grail - Jonesy. He's sixteen weeks old in the photo. Our eight month old pup, Robert, won Best Puppy and Best in Sweeps at the Supported Entry in Atlanta as well as Reserve Winners Dog during the Regional Speciality also held in Atlanta.
